

## Tramp Art Woodcarving Pattern: Rectangular Frame

This Tramp-Art frame is 3.5 by 4.5 inches (9 by 11.5 cm) and is made from a 1/4-inch (6mm) thick board. Carve the layers as solid rectangles or as separate strips for ease, then drill the alignment holes and secure with nails, toothpicks, or dowels. Learn more about this layered style in the Hobo and Tramp Art Intro article on the READ N TRY website at <https://readNtry.com>.
